

Non-Credit Music Offerings

Music Mass Teams: Join a music mass team led by an upperclassman. There are usually 3 teams and about 10 students on each team. The teams take turns singing for optional faith Friday masses, so in 1 semester a team may sing for 3-4 masses. The commitment is manageable and students enjoy getting together to practice (organized by the team leader) and then lead the music for their peers on their assigned date. Mrs. Wickert provides leadership and assistance as needed.

Solo Ensemble takes place the last Friday/Saturday in February every year. We participate with 7 other private schools in the Milwaukee area and each school takes a turn hosting this event. DSHA hosted in 2016 and 2017. The host school for 2018 has not been determined. Participating in solo ensemble is a fantastic opportunity for students to work on their vocal or instrumental technique. Registration for solo ensemble is through Mrs. Wickert or Mr. Eagon and the deadline for registration is typically the middle of January. Do not be shy, ask more questions as needed.

The Summer Musical happens in the summer. There is a 4 week “camp” with daily rehearsals and 1 full weekend of shows. This is a non-auditioned musical, which is rare, so it makes it more of a special opportunity to gain experience performing.

Fall Musical: The auditions for the fall musical happen the previous spring. Information packets about auditions are typically available early May and the auditions typically occur the end of May.
