

Divine Strings

Membership in Divine Strings is by invitation of the Director. Membership in Zero hour orchestra is a prerequisite for consideration for Divine Strings. Prospective members will be judged on two criteria:

1. Observation of performance, preparation and attendance during orchestra rehearsals, and concerts.
2. Performance at the 1st semester playing test on the Christmas Concert music in November. Those wishing to be considered for Divine Strings should be prepared to play a short solo in addition to the orchestra music required.

Violinists and Violists should at minimum be proficient in First-Third positions and demonstrate good shifting and vibrato technique. Cellists should be proficient through 4th position and also demonstrate shifting and vibrato. Bassists should demonstrate exceptional command of rhythm and some experience in thumb position.

Non-string players of exceptional ability on the following instruments will be considered at the Director's discretion.

- Flute
- Oboe
- Guitar
- Piano
- Drums/Percussion
