

TEN SCHOLARSHIP FACTS

1. 225 students receive scholarships in 2015-16.
2. Current scholarship recipients come from 70 schools located throughout greater Milwaukee.
3. Awards range from \$200 to full tuition, and the average award in 2015-16 is \$6,400.
4. Every scholarship gift helps.
5. In 2014-15, every DSHA graduate who received a scholarship went to college.
6. Marquette University, University of St. Thomas and Harvard awarded full scholarships to three DSHA scholarship recipients in the Class of 2015.
7. Scholarship awards are recommended by FAIR (Financial Aid Independent Review) based on family income, other tuition costs paid by family (including college), and any unusual medical or family circumstances.
8. Financial aid dates back to 1896 at Holy Angels and 1948 at Divine Savior. The work-study programs launched at these two schools continue at DSHA today.
9. Endowed scholarship funds may be designated to the types of students and areas of study that matter most to the donor.
10. Scholarships have a built in “multiplier” effect, providing benefits now and also sowing seeds of future opportunities for students and their families. Examples: DSHA scholarships increase opportunities for college scholarships, expanded career options, etc.
